OneStart Classifieds

The free Classifieds in OneStart (onestart.iu.edu) can help you buy or sell items, find a roommate or housing, or check the rideboard. OneStart Classifieds have recently been updated with some useful new features:

* You can now print an individual ad

* You can post an ad for up to 31 days

* You can add clickable hyperlinks in the description of an ad

To provide a clickable link in an ad, enter a complete URL (e.g., http://www.indiana.edu) in the description field. Be sure there is a space after the URL. Once you post your ad, the URL will appear as a clickable link.

The Classifieds are one of many Web services that are unique to OneStart. Log in today at:
